Book Description

WELCOME TO ALPHAVILLE, where the she-wolves and alpha-males play. . .for keeps, in a brand-new paranormal romance series from New York Times bestselling author Christine Warren. Dr. Annie Cryer has been called many things: Genius. Child prodigy. Scientific wonder. Wolf Shifter. Banished from her pack years ago, Annie's lone wolf wandering has brought her to Alpha, Washington, home to all shifters who don't quite fit in in the "normal" shifter world. Now Annie has the chance to go back home...if only she can make good on a favor her alpha owes the mayor of "Alphaville." But it's not much of a favor when you're helping the hottest shifter in town...Grizzly shifter Jonas Browning has a clan in trouble. They haven't had a child born in over a hundred years...and their clan faces going completely extinct. Genetic scientist Anne Cryer has been sent to help save them. But what Jonas doesn't count on is being irresistibly drawn to the small wolf shifter, and his bear isn't about to let her go...
