Book Description

The irresistible first book in the gripping Shatter Me series, now featuring gorgeous jacket art to match the rest of the series, and including the Destroy Me novella! One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. The jacket of this new hardcover edition matches the beautiful artwork of the paperback edition. It also includes the Destroy Me novella, which is told from Warner's point of view, and a brand-new author's note. Perfect for fans who have followed the series from the beginning and craved a matching set of books, and for readers looking to check out the series before the highly anticipated release of Restore Me!
